

Allen Ave. Elementary PTA

740 E. Allen Avenue San Dimas, CA 91773

www.dropcoverholdon.org

Keeping your child safe in the event of a disaster is important to Allen Avenue. Disasters felt around the world this past year remind us that these events can strike at any time and without warning.

Allen Ave PTA is asking all Kindergarten parents to make a **onetime donation of \$10.00** to our school's disaster supply kits. This donation helps us replenish the necessary supplies that are stored on the school campus for each student and staff in case of an earthquake.

Please also take the time to check your earthquake kits at home to make sure they are still stocked with non-perishable foods and plenty of water!

Please return your donation to your student's teacher – Attention: Allen Ave PTA

Thank you for your support in keeping our children safe!
Together for our students...Allen Ave PTA

Please detach and return with your donation

Earthquake Kit Donation—\$10
Checks payable to Allen Avenue PTA
