

Allen Ave. Elementary PTA

740 E. Allen Avenue San Dimas, CA 91773

Fall 2016

Dear Allen Avenue Parents:

Keeping your child safe in the event of a disaster is important to Allen Avenue Elementary. Disasters felt around the world this past year remind us that these events can strike at any time and without warning. Sometimes they are major disasters that may require our school to go into emergency procedures. Our school is prepared for these situations as we have disaster kits on site for each student. However, other scenarios may arise and cause the need for a school lockdown. In this situation, students would not have access to snacks in their lunches hanging outside or the food in the cafeteria.

Therefore, as a precaution, we are asking that you **send some non-perishable snacks and one bottle of water sealed in a zip-lock bag**. Please label this bag with your child's name as it will be stored in the classroom for the duration of the year. The bag will be returned at the end of the school year.

It is our goal that Allen Avenue Elementary be prepared for any type of disaster; please help us in meeting this goal. Now would also be a good time to check your disaster kits at home to make sure they are still stocked with non-perishable foods and plenty of water!

Thank you for your support in keeping our children safe!

Thank you,
Mondai Keene
Health and Welfare Chair

Together for our students...Allen Ave. PTA
