

Allen Ave. Kids Club

Welcome to School Age Care

Our purpose is to provide a safe and supportive extended network for children and their families. Our goal is to provide positive experiences and a creative atmosphere for children to learn life skills, develop new skills and abilities, make friends and have a whole lot of fun! We have special events and enrichment clubs throughout the school year. We provide a quiet place and time where children may work on daily homework assignments.

For registration, visit the School Age Care office located in the back of the Bonita Unified School District Office.
